## 22. EVENT HISTORY

The Zambia International Rally, which this year is the 3rd round of the ZMSA National Championships series, has been run since 1969 and only had a break when rallying came to a stop from 1976 to 1985 when it was restarted. The event has been run every year since then.

This event has always generated extra revenue in the communities and city where it is hosted. Widespread television coverage of the event also provides the local communities with exposure throughout Zambia and Africa.
